

WANT TO DO MORE?

If someone you know is utilizing a microsite in their search for a living donor, you can support them by receiving the *Your Microsite Motivation* email from the National Kidney Registry. This monthly email includes inspiring patient stories, tips for how to successfully find a donor candidate and more. Your address will not be used for any other outreach and you can opt out at any time.

Become a knowledgeable guide in the living donor search process and **sign up today!**
